Claudia je prvostupnica Kulturalnih studija, a trenutno završava diplomski studij Novih medija na Akademiji likovnih umjetnosti u Zagrebu.

O alternativnoj sceni piše od 2022. godine: iza nje je već puno koncertnih i festivalskih izvještaja te intervjua, a posebno voli fotografirati koncerte. U umjetničkoj praksi također gravitira prema eksperimentalnom zvuku i field recordingu, dok u slobodno vrijeme svira i piše.

Angažman u studentskim projektima otvorio je vrata suradnji s Distune Promotion, koju je počela graditi simultano s pisanjem, ponajprije uključivanjem u segmente organizacije Impulse Festivala.

ENG:

Claudia holds a BA in Cultural Studies and is currently completing her MA in New Media at the Academy of Fine Arts in Zagreb.

She has been writing about the alternative music scene since 2022, building up an extensive portfolio of concert and festival reviews, as well as interviews. She is particularly passionate about concert photography. Her artistic practice also

gravitates towards experimental sound and field recording, while in her free time she enjoys playing music and writing.

Her involvement in student projects opened the door to a collaboration with Distune Promotion, which she began developing alongside her writing, primarily through contributing to various aspects of the organisation of Impulse Festival.
